

Laval Outdoor HDR Database

End User License Agreement

outdoor.hdrdb.com

The person in request may download and use this database only after signing and returning this agreement form. By signing this document, the user agrees to the following terms:

1. Commercial and academic use

The database is made available for research purposes in non-profit organizations (academic or government-sponsored researchers) only. Any use of this data in a for-profit company is strictly forbidden. For other uses, please contact Prof. Jean-François Lalonde (jflalonde@gel.ulaval.ca).

2. Redistribution

The user may not distribute: 1) the database or any parts of it; 2) software and/or method that reproduces the database or any parts of it; to any third party.

3. Publications

The use of data for illustrative purposes in publications is allowed. Publications include both scientific papers, and presentations for scientific/educational purposes.

4. Citation

All publications reporting on research that uses the database have to acknowledge this by citing one of the following paper:

Y. Hold-Geoffroy, A. Athawale, and J.-F. Lalonde. Deep Sky Modeling for Single Image Outdoor Lighting Estimation, IEEE/CVF Conference on Computer Vision and Pattern Recognition (CVPR), 2019

5. Warranty

The database comes without any warranty. In no event shall the provider be held responsible for any loss or damage caused by the use of this data.
